RECOMMENDATION:

- Provide direction to the City Manager to take another specific action
- Request additional information and an additional report

BACKGROUND/ANALYSIS:

The Fire-Rescue Department requested six ballistic vests and six bailout escape systems via the Fiscal Year 2023 State Homeland Security Grant (SHSG). These ballistic vests and bailout escape systems would replace older equipment that the firefighters are currently using.

Imperial Beach Firefighters do not know what type of emergency calls they will be responding to, but their safety is always our top priority while responding in the City of Imperial Beach and surrounding areas.

ENVIRONMENTAL DETERMINATION:

Not a project as defined by CEQA.

FISCAL IMPACT:

The purchase is being funded by a State Homeland Security Grant. All expenditures would be offset with grant revenue being received.
