**1. PROBLEM STATEMENT**

With over 26,000 residents as well as regionally acclaimed beaches, open spaces, businesses, and restaurants drawing over 400,000 visitors annually, the city of Imperial Beach is inundated by a dynamic mix of intermodal interactions between pedestrians, bicyclists, drivers, and transit riders. The nearby Palm Avenue Station is a hub for the MTS Blue Line trolley, and the city itself is serviced by bus routes 901, 933, 934, and rapid bus route 227. The City of Imperial Beach is also a regional leader in implementing state-of-the-art bicycle infrastructure, including the Bayshore Bikeway, the Bikeway Village development, and the upcoming Border to Bayshore bikeway. Increasing public awareness, educational efforts, and community involvement will serve as some of the most effective tools available to improve safety for all road users and reduce tragedies related to bicycle- and pedestrian-involved traffic crashes.

According to the latest OTS crash rankings, the city of Imperial Beach ranks 12th highest (out of 93 same-size cities in the state) for pedestrian crashes in general, 19th highest for bicycle crashes in general, and 22nd highest for bicycle crashes involving children 15 or under. The City's crash data underscores the need for bicycle and pedestrian safety education, reporting that a significant number of pedestrians and bicyclists are hit by drivers and injured or killed each year, experiencing an unfortunate increase in the number of these incidents. In 2021, Imperial Beach had an increase in the number of crashes resulting in pedestrian or bicyclist casualties with 16 victims, which is a 100 percent increase, compared to 8 victims in 2020. The City of Imperial Beach previously had not had a fatal pedestrian-involved crash since 2020 and had not had a fatal bicyclist-involved crash since 2018. Regardless, the number of crashes and injuries remains substantial. In response to these problems, the City of Imperial Beach plans to support efforts to conduct regular safety education and encouragement events and reinforce positive behaviors to make sure the environment is safe for our most vulnerable road users, such as pedestrians, bicyclists, skateboarders, scooter riders, and transit riders.

Between 2020 and 2022, there were 32 crashes resulting in injury or death for pedestrians and bicyclists within the City of Imperial Beach. Due to these crashes, 23 pedestrians were harmed, one fatally, and 10 bicyclists were injured. Additionally, it is pertinent to note that, of these crash victims, 11 were over the age of 55 and five were age 15 or under. Routes with numerous crashes include 13th Street, 9th Street, Connecticut Street, Georgia Street, Imperial Beach Boulevard, Palm Avenue, and Seacoast Drive.

The City of Imperial Beach is committed to making every effort possible to equitably improve the safety of multimodal traffic interactions in and around the city. We will reach out to underserved populations and vulnerable road users to get them engaged with our safety education events and ultimately improve multimodal traffic safety.

emailed to the OTS Public Information Officer at pio@ots.ca.gov, and copied to your OTS Coordinator, for approval 7 days prior to the issuance date of the release.	
2. Participate in the following campaigns: National Walk to School Day, National Bicycle Safety Month, California's Pedestrian Safety Month and National Pedestrian Safety Month.	4
3. Distribute pedestrian/bicycle safety items at no cost to youth or community members in need, during bicycle rodeos, presentations, workshops, trainings, and community events to increase safety and visibility. Report quarterly on pedestrian/bicycle safety items distributed.	1
4. Develop bicycle and pedestrian safety educational materials to be distributed during classroom presentations, workshops, and community events. Submit materials to PIO for approval and upload approved material.	1
5. Hold quarterly meetings with countywide pedestrian and/or bicycle safety stakeholders to collaborate on events, share best practices, and leverage resources.	4
6. Conduct community engaged bicycle and/or walk audits at locations identified to have a high incidence of pedestrian and/or bicycle fatal or serious injury traffic crashes or "near misses".	3
7. Execute subcontracts referenced in the budget. Prior to finalizing the subcontract, grantee should work with the OTS to ensure all costs in the sub contract are allowable. Upon execution of subcontract, upload a copy of the subcontract and request a revision to the grant budget to add new budget line items for associated costs under contractual services. If not yet executed, provide ETA.	1
8. Conduct Bike Anywhere Day pop-ups at two (2) locations in Imperial Beach during the first two weeks of May to promote the upcoming event. Helmet fittings will be conducted and ped/bike safety items and educational materials will be disseminated to ensure prospective participants are able to ride safely on the day of the event. Bike Anywhere Pit-Stops will be hosted adjacent to heavily trafficked bike routes and will include expanded opportunities for play, art, and education. Temporary parklets, remote-controlled traffic calming courses, and informational boards will showcase how streets can be repurposed to support safe active transportation. The objective is to engage at least 300 people. When reporting, include dates/locations, and potential number of individuals reached at each event.	3
9. Conduct a Citywide Safety and Wayfinding Messaging campaign to identify up to 20 campus locations where informational messaging about safety, good user behavior, wayfinding, and sharing the road can be sited. Messaging will include information for all user types, including those who walk, roll, bike, skateboard, scooter, and drive, with a series of 23" x 36" boards to be developed and distributed across Imperial Beach locations selected based on existing travel patterns in addition to crash data and known areas of near misses. The objective is for at least 1,000 people to be reached as part of this campaign. When reporting, include locations, potential number of individuals reached, and a short summary of key transportation and/or safety concerns addressed at each location.	1
10. Conduct Quick-Build Intersection Daylighting Installation Demonstrations, supporting the design/installation of short-term infrastructure used to demonstrate compliance with the new AB413 Daylighting Bill, to include four (4) removable bollards with an embedment sleeve installed at appropriate locations across the city of Imperial Beach. The objective is to reach at least 100 people during one-day demonstrations, and significantly more, if installed for a longer duration. When reporting, include date/location, potential number of individuals impacted, and a short summary of key transportation and/or safety concerns addressed at each location.	4
11. Publish a Safe Bike Infrastructure Video detailing Imperial Beach's bike facilities and how multiple road users can express safe user behaviors while engaging with them and sharing the road. The video will include closed captioning and have a Spanish-speaking version available to ensure users of all ages and abilities can benefit from the messaging. Content will be publicly screened at a community	1

viewing event, feedback will be gathered from residents, and ped/bike safety items and educational materials will be distributed to those in need, then the video will be hosted publicly on an online platform. The objective is for at least 500 people to be reached. When reporting, include actual/potential number of individuals reached and a short summary of key transportation issues discussed.

### 3. METHOD OF PROCEDURE

#### A. Phase 1 – Program Preparation (1<sup>st</sup> Quarter of Grant Year)

- Develop operational plans to implement the “best practice” strategies outlined in the objectives section.
- All training needed to implement the program should be conducted in the first quarter.
- All grant related purchases needed to implement the program should be made in the first quarter.

#### Media Requirements

- Issue a press release approved by the OTS PIO announcing the kick-off of the grant by November 15, but no sooner than October 1. The kick-off release must be approved by the OTS PIO and only distributed after the grant is fully signed and executed. If you are unable to meet the November 15 deadline to issue a kick-off press release, communicate reasons to your OTS grant coordinator and OTS PIO.

#### B. Phase 2 – Program Operations (Throughout Grant Year)

#### Media Requirements

The following requirements are for all grant-related activities:

- Send all media advisories, alerts, videos, graphics, artwork, posters, radio/PSA/video scripts, storyboards, digital and/or print educational materials for grant-related activities to the OTS PIO at [pio@ots.ca.gov](mailto:pio@ots.ca.gov) for approval and copy your OTS grant coordinator. Optimum lead time would be 7 days before the scheduled release but at least 3 business days prior to the scheduled release date for review and approval is appreciated.
- Send all Powerpoint presentations, online presentations and trainings for grant-related activities to the OTS PIO at [pio@ots.ca.gov](mailto:pio@ots.ca.gov) for approval and copy your OTS grant coordinator. Certified training courses are EXEMPT from the approval process.
- The OTS PIO is responsible for the approval of the design and content of materials. The agency understands OTS PIO approval is not authorizing approval of budget expenditure or cost. Any cost approvals must come from the OTS grant coordinator.
- Pre-approval is not required when using any OTS-supplied template for media advisories, press releases, social media graphics, videos or posts, or any other OTS-supplied educational material. However, copy the OTS PIO at [pio@ots.ca.gov](mailto:pio@ots.ca.gov) and your OTS grant coordinator when any material is distributed to the media and public, such as a press release, educational material, or link to social media post. The OTS-supplied kick-off press release templates and any kickoff press releases are an exception to this policy and require prior approval before distribution to the media and public.
- If an OTS-supplied template, educational material, social media graphic, post or video is substantially changed, the changes shall be sent to the OTS PIO at [pio@ots.ca.gov](mailto:pio@ots.ca.gov) for approval and copy to your OTS grant coordinator. Optimum lead time would be 7 days prior to the scheduled release date, but at least 3 business days prior to the scheduled release date for review and approval is appreciated.
- Press releases, social media posts and alerts on platforms such as NextDoor and Nixle reporting immediate and time-sensitive grant activities (e.g. enforcement operations, day of event highlights or announcements, event invites) are exempt from the OTS PIO approval process. The OTS PIO and your OTS grant coordinator should still be notified when the grant-related activity is happening (e.g. car seat checks, bicycle rodeos, community presentations, DUI checkpoints, etc.).
- Enforcement activities such as warrant and probation sweeps, court stings, etc. that are embargoed or could impact operations by publicizing in advance are exempt from the PIO approval process. However, announcements and results of activities should still be copied to the OTS PIO at [pio@ots.ca.gov](mailto:pio@ots.ca.gov) and your OTS grant coordinator with embargoed date and time or with “INTERNAL ONLY: DO NOT RELEASE” message in subject line of email.

- Any earned or paid media campaigns for TV, radio, digital or social media that are part of a specific grant objective, using OTS grant funds, or designed and developed using contractual services by a subgrantee, requires prior approval. Please send to the OTS PIO at [pio@ots.ca.gov](mailto:pio@ots.ca.gov) for approval and copy your grant coordinator at least 3 business days prior to the scheduled release date.
- Social media posts highlighting state or national traffic safety campaigns (Distracted Driving Month, Motorcycle Safety Awareness Month, etc.), enforcement operations (DUI checkpoints, etc.), or any other grant-related activity such as Bicycle rodeos, presentations, or events, are highly encouraged but do not require prior approval.
- Submit a draft or rough-cut of all digital, printed, recorded or video material (brochures, posters, scripts, artwork, trailer graphics, digital graphics, social posts connected to an earned or paid media campaign grant objective) to the OTS PIO at [pio@ots.ca.gov](mailto:pio@ots.ca.gov) and copy your OTS grant coordinator for approval prior to the production or duplication.
- Use the following standard language in all press, media, and printed materials, space permitting: Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
- Space permitting, include the OTS logo on all grant-funded print materials, graphics and paid or earned social media campaign grant objective; consult your OTS grant coordinator for specifics, format-appropriate logos, or if space does not permit the use of the OTS logo.
- Email the OTS PIO at [pio@ots.ca.gov](mailto:pio@ots.ca.gov) and copy your OTS grant coordinator at least 21 days in advance, or when first confirmed, a short description of any significant grant-related traffic safety event or program, particularly events that are highly publicized beforehand with anticipated media coverage so OTS has sufficient notice to arrange for attendance and/or participation in the event. If unable to attend, email the OTS PIO and coordinator brief highlights and/or results, including any media coverage (broadcast, digital, print) of event within 7 days following significant grant-related event or program. Media and program highlights are to be reflected in QPRs.
- Any press releases, work plans, scripts, storyboards, artwork, graphics, videos or any educational or informational materials that received OTS PIO approval in a prior grant year needs to be resubmitted for approval in the current grant year.
- For additional guidance, refer to the [OTS Grants Materials Approval Process Guidelines](#) and [OTS Grants Media Approval Process FAQs](#) on the OTS website.
- Contact the OTS PIO or your OTS grant coordinator for consultation when changes from any of the above requirements might be warranted.

  - Collect and report quarterly, appropriate data that supports the progress of goals and objectives.
  - Provide a brief list of activity conducted, procurement of grant-funded items, and significant media activities. Include status of grant-funded personnel, status of contracts, challenges, or special accomplishments.
  - Provide a brief summary of quarterly accomplishments and explanations for objectives not completed or plans for upcoming activities.
  - Collect, analyze and report statistical data relating to the grant goals and objectives.

### **4. METHOD OF EVALUATION**

Using the data compiled during the grant, the Grant Director will complete the “Final Evaluation” section in the fourth/final Quarterly Performance Report (QPR). The Final Evaluation should provide a brief summary of the grant’s accomplishments, challenges and significant activities. This narrative should also include whether goals and objectives were met, exceeded, or an explanation of why objectives were not completed.

### **5. ADMINISTRATIVE SUPPORT**

**The State will comply with provisions of the Hatch Act (5 U.S.C. 1501-1508), which limits the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.**

#### **CERTIFICATION REGARDING FEDERAL LOBBYING**

(applies to all subrecipients as well as States)

#### **CERTIFICATION FOR CONTRACTS, GRANTS, LOANS, AND COOPERATIVE AGREEMENTS**

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions;
3. The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, subgrants, and contracts under grant, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

**RESTRICTION ON STATE LOBBYING**

None of the funds under this program will be used for any activity specifically designed to urge or influence a State or local legislator to favor or oppose the adoption of any specific legislative proposal pending before any State or local legislative body. Such activities include both direct and indirect (e.g., “grassroots”) lobbying activities, with one exception. This does not preclude a State official whose salary is supported with NHTSA funds from engaging in direct communications with State or local legislative officials, in accordance with customary State practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.

**CERTIFICATION REGARDING DEBARMENT AND SUSPENSION**  
(applies to all subrecipients as well as States)

**INSTRUCTIONS FOR PRIMARY TIER PARTICIPANT CERTIFICATION (STATES)**

1. By signing and submitting this proposal, the prospective primary tier participant is providing the certification set out below and agrees to comply with the requirements of [2 CFR parts 180 and 1200](#).
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective primary tier participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary tier participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default or may pursue suspension or debarment.
4. The prospective primary tier participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary tier participant learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms **covered transaction, civil judgment, debarment, suspension, ineligible, participant, person, principal, and voluntarily excluded**, as used in this clause, are defined in [2 CFR parts 180 and 1200](#). You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.
6. The prospective primary tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under [48 CFR part 9, subpart 9.4](#), debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

A participant is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any prospective lower tier participants, each participant may, but is not required to, check the System for Award Management Exclusions website (<https://www.sam.gov/>).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under [48 CFR part 9, subpart 9.4](#), suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate the transaction for cause or default.

### **BUY AMERICA**

**(applies to subrecipients as well as States)**

The State and each subrecipient will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using Federal funds. Buy America requires a State, or subrecipient, to purchase with Federal funds only steel, iron and manufactured products produced in the United States, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than 25 percent. In order to use Federal funds to purchase foreign produced items, the State must submit a waiver request that provides an adequate basis and justification for approval by the Secretary of Transportation.

### **CERTIFICATION ON CONFLICT OF INTEREST**

**(applies to subrecipients as well as States)**

#### **GENERAL REQUIREMENTS**

No employee, officer, or agent of a State or its subrecipient who is authorized in an official capacity to negotiate, make, accept, or approve, or to take part in negotiating, making, accepting, or approving any subaward, including contracts or subcontracts, in connection with this grant shall have, directly or indirectly, any financial or personal interest in any such subaward. Such a financial or personal interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or personal interest in or a tangible personal benefit from an entity considered for a subaward. Based on this policy:

1. The recipient shall maintain a written code or standards of conduct that provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents.
  - a. The code or standards shall provide that the recipient's officers, employees, or agents may neither solicit nor accept gratuities, favors, or anything of monetary value from present or potential subawardees, including contractors or parties to subcontracts.
  - b. The code or standards shall establish penalties, sanctions, or other disciplinary actions for violations, as permitted by State or local law or regulations.
2. The recipient shall maintain responsibility to enforce the requirements of the written code or standards of conduct.

#### **DISCLOSURE REQUIREMENTS**

No State or its subrecipient, including its officers, employees, or agents, shall perform or continue to perform under a grant or cooperative agreement, whose objectivity may be impaired because of any related past, present, or currently planned interest, financial or otherwise, in organizations regulated by NHTSA or in organizations whose interests may be substantially affected by NHTSA activities. Based on this policy:

1. The recipient shall disclose any conflict of interest identified as soon as reasonably possible, making an immediate and full disclosure in writing to NHTSA. The disclosure shall include a description of the action which the recipient has taken or proposes to take to avoid or mitigate such conflict.
2. NHTSA will review the disclosure and may require additional relevant information from the recipient. If a conflict of interest is found to exist, NHTSA may (a) terminate the award, or (b) determine that it is otherwise in the best interest of NHTSA to continue the award and include appropriate provisions to mitigate or avoid such conflict.
3. Conflicts of interest that require disclosure include all past, present, or currently planned organizational, financial, contractual, or other interest(s) with an organization regulated by NHTSA or with an organization whose interests may be substantially affected by NHTSA activities, and which are related to this award. The interest(s) that require disclosure include those of any recipient, affiliate, proposed consultant, proposed subcontractor, and key personnel of any of the above. Past interest shall be limited to within one year of the date of award. Key personnel shall include any person owning more than a 20 percent interest in a recipient, and the officers, employees or agents of a recipient who are responsible for making a decision or taking an action under an award where the decision or action can have an economic or other impact on the interests of a regulated or affected organization.
